

This Saturday & Sunday, Your Country Needs Your Help!

The fight for our nations' freedom has come to Jacksonville!

How?

The U.S. Navy will locate a Master Jet Base at Cecil Field. This important base is essential to our nations' security. Besides the patriotic pride we will have in reopening Cecil Field, *the base and related businesses will add more than 31,000 quality jobs to our community and contribute more than \$2.6 Billion to our local annual economy.*

We Should All Support Our Country...

What's The Problem?

Politicians and developers, with selfish motives, are trying to prevent the citizens of Jacksonville from being able to vote on a referendum to bring the Master Jet Base to our city. These individuals are more concerned with their re-election or financial interests than our national security.

What Can I Do?

Volunteer this weekend to collect petition signatures from Duval County registered voters.

This Saturday or Sunday, come to the Hilton Garden Inn by Tinseltown (behind Seven Bridges) on Gate Parkway or to the Cecil Field Gym between 8 a.m. and Noon to pick up your petitions and special volunteer T-shirt.

Then simply return your signed petitions to the same location Saturday or Sunday between 5:30 p.m. and 8:30 p.m. so they can be notarized.
